

REMOVE 100

Applications

Medical

Powerful cleaner specific for all uses

DESCRIPTION

REMOVE 100 is a concentrated cleaner, degreaser, emulsifier intended for multiple applications on substrates resistant to water and light alkalis. It is effective on fats, proteins, blood, fir resin etc.

APPLICATIONS

REMOVE 100 is recommended for removing all types of dirt from all media (blood on linen, dirt on armchairs, car seats, grease on surfaces, fir resin, etc.). It does not affect substrates except treated floors. REMOVE 100 is used diluted.

Uses

ACID / DESCALER					NEUTRAL			ALKALINE / DEGREASER					
1	2	3	4	5	6	7	8	9	10	11	12	13	14
										X			

pure pH 11,0 (± 1)

pH for a 1% solution : 10,7 (± 1)
